Kansas State University — Jan 2016 – May 2016
Food Science (Exchange Student)

Fields

Economic Development, International Economics, Political Economy, Chinese Economy

Job Market Paper

"All Labors Are Equal, But Some Labor Is More 'Equal' Than Others: Labor Terms of Trade and the Capitalist World-System."

This paper conducts a comprehensive study of country-level labor terms of trade for the period 1990–2017 using multi-regional input–output tables, and examines the global pattern of their distribution.
